Scientifically Speaking Gold, Platinum, Gems, And Riches If Intact, Shiny, Sparkly, And Beautiful Is Always Real. The Black Knights Just Lie And Claim Otherwise With The Media/Internet Empire. If It Does Not Have The Jainist Value As A Stex And Potential Universe Generator Which Protects The Universe Even When Deployed Around Your Body, It Is Still Gold To Real Experts.

www.magicguild.net Has The Starter Information On "Fools" Gold.

www.scimagorder.com Has Information On Why It Is Valuable Deep Into The Webpage If You Have Ability And Analysis To Figure It Out.

www.universegenerator.com Has Information About Why Universe Generators Are Real.

www.pixies.zone Is The Best Website For Beginning To Explain To Them About The Strength Enhancing Exoskeleton Thing, Because They Will Get How It Could Be Real And That You Could Be Innocent In Believing In It If They Watched Star Trek Or Star Wars Or Something.

If They Claim To Dispute The Science Behind It Tell Them To Goto www.self-replicatingnanobot.com And Dispute That With Openly Published Material Otherwise Even The Claim About The Stex Can't Be Proved Wrong And The East Azn Mysticism That Proves "Fools" Riches Value Can Be Proved Calling Into Mainland China.

Angels Do Make Sure It Only Looks Real If It Is Real, So Look Into That As The Actual Proof That The Screwed Up Peasants Will Get If They Either Listen To The Proper Authority Or Don't Sell Their Soul To The Devil!
